Heading 3	30px / 1.875rem - Semibold 600
Heading 4	24px / 1.5rem - Semibold 600
Body Regular	16px / 1rem - Regular 400

Brand Voice

Empathetic

Warm, supportive, and non-judgmental.

Intelligent

AI-backed insights that stay accessible and easy to understand.

Private & Secure

Trust, confidentiality, and user control over personal data.

Usage Rules + Deliverables

Keep the mark consistent across product, investor, and launch materials.

- Do** Use approved colors and lockups.
- Do** Maintain clear space equal to the A height in the wordmark.
- Do** Use icon-only when space is constrained.
- Do** Switch to reverse lockup on dark, photo, or gradient backgrounds.
- Don't** Do not stretch, skew, rotate, recolor, or reduce opacity.
- Don't** Do not place the logo on busy low-contrast backgrounds.
- Minimum** Digital logo height: 64px. Print logo height: 0.5 in.
